54th Street Reconstruction

Dear Resident:

Next week, bridge abutment work will continue. The contractor will use large construction equipment and a crane to complete the work.

Work on 54th Street itself has not yet been scheduled. We will notify you in advance of when this work will begin.

Site safety is extremely important during bridge construction. Do not attempt to cross safety fences or access the creek while the bridge is under construction.

Pedestrians and bicyclists: please use the existing bridge located just north of 54th Street in Arden Park near the shelter.

The contractor has experienced repeated vandalism to construction equipment near the bridge. If you see any activity in the construction area after working hours or on weekends, please call the Edina Police Department at 952-826-1600. Thank you for your help.

Communications

Please contact me at 612-255-4030 or mhorn@sehinc.com with any questions or concerns. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned visit www.EdinaMN.gov/54thstreet. The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Mike Horn
City of Edina On-site Representative
